

The OUT and IN of ADS-B

The presentation will cover Automatic Dependent Surveillance-Broadcast (ADS-B). The focus will be understanding the ADS-B OUT requirement after 1/1/2020 from the Federal Aviation Administration (FAA). The session will cover the topic in the following format:

History of aircraft surveillance

ADS-B defined

ADS-B devices and integration

ADS-B equipage regulations

ADS-B Ground Stations

Directions: Hangar

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
